Essay-writing Competition

Bangladesh has achieved its goal of becoming a middle- income country as per the Vision-2021. Bangladesh has attained remarkable successes since the present government came to power in 2009. The GDP per capita has, since then, seen almost fivefold increase and currently stands at 2503 USD [source: World Bank]. In the present year, the export of Bangladesh has surpassed 50 billion USD. Along this path, Bangladesh looks forward to becoming a developed nation in 2041 as per the Vision- 2041.
